Notes:

1. The International Master of Business Administration (IMBA) major of the MBA program at the School of Business and the Master of Public Administration (MPA) program at the School of Government are taught in English. However, students of the two programs should still reach the Chinese proficiency level required in the Quality Standard of Higher Education for International Students (Trial) issued by the Ministry of Education.
2. If any changes happen, please see the most recent update for reference.
